

# Gov't Statistics

Is Corona Virus Really so *LETHAL?*

- Hospitals *Empty* & on Skeleton Staff!
- Deaths – Mostly Predisposed *Already* Sick Elderly!
- Police *Don't Wear* Face Masks, Gloves or Suits at Borders!
- Definition of *Corona Virus* – “*COMMON COLD*” – *US Medical Journal* 1989 Ed'n. *Are the deaths really attributable to CV-19 or something else?*
- Australian CV Deaths *600* (Not 10,000's), Infections *25,575*

Recovery Rate *99%* (29 August 2020) <https://cv19info.live/australia/>

- “Add 750 to 1,500 suicides to the annual average of 3,000 deaths from suicide”  
<https://www.rt.com/news/488070-australia-us-coronavirus-suicide-spike/>
- Deaths in Australia from Car Accidents *1,182* [CarAdvice 2019]
- Deaths in Australia from Flu *3,102* [ABS 2018]
- Deaths in Australia from Heart Disease *17,533* [ABS 2018]
- Deaths in Australia from Cancer *29,030* [ABS 2018]

Corona Virus a Threat? *Seriously?*

Australia Locked Down for *600* Deaths ... but *NOT* for *29,030??*

What's the *Real* Motive?

Bubonic Plague 1341 – 1345 - > 50% Death Rate of the Known World – A *Real Pandemic*

*CV- 19, a Pandemic, a  
Gov't Hoax & a Con?*
